Reference Letter for Darren Hunter

To whom it may concern:

I would like to recommend Darren Hunter as a candidate for a position within your organisation. In this position as Software Developer, Darren was employed in our office from January 2016 – October 2016.

Throughout his time with Reality Solutions he demonstrated his skills in terms of website and application development and would make an excellent employee within this area. Darren was always willing to offer assistance where possible to other members of staff and had built up an excellent rapport with the development team.

Darren helped to build up our internal development structures and came up with new ideas on how we can improve our internal processes and procedures which proved to be worthwhile.

Darren would be an asset to any employer and I would recommend him for any endeavour in which he chooses to pursue.

Sincerely,

Amy Pittock Project Manager Reality Solutions Limited
